

APPLICATION FORM FOR ANIMAL SCIENCES SCHOLARSHIPS

Approximately, fifteen \$800 to \$1000 Animal Science scholarships are awarded annually to upcoming juniors and seniors. Scholarship recipients are selected in early February, but funds are not awarded until the following school year through the student's account. Students who are anticipating graduating prior to the next fall semester are not eligible.

Return the completed form to Tony Seykora, 225B Haecker Hall (or email to seyko001@umn.edu), by **February 5th**.
